PAYMENT ARRANGEMENTS

IF COMPLETING AN ONLINE APPLICATION:

Payment arrangements this year are being guided by the online registration process which provides the following options. It is important to note that NO initial payment is required at the time that an online application is submitted.

- Payment in full by credit card the day you apply
- Payment by installments set up on your credit card or by electronic checks. Payments are due on the 15th of each month with the final payment due on 5/15 and divided equally among the months.
**Choose this option if you want to be billed automatically.
- Manual payments. When you select this option, the payments due list shows up as above to provide a payment schedule for you. If you opt not to pay at a specific time, that amount will be evenly rolled into the remaining dates. It is then possible to wait until 5/15 or even 6/1 to pay the full amount or pay in between as well. Any financial aid, sponsorships, gifts or camperships will be applied when received and reduce the final amount accordingly. You can follow this in real time on your dashboard.
**Choose this option if you are applying for financial aid, do not want to be billed automatically, or you want to mail a check to the ADA.

After selecting your payment option, hit “complete”. You will receive a confirmation email with a link to your account. Once logged into your account, you can customize your payment plan, make a payment, and view your balance.

IF APPLYING WITH A PAPER APPLICATION:

In this case, you will be utilizing the third option above and making manual payments. No credit cards can be utilized via this method; checks or money orders only. Please contact Wendy Pack, our Camp Coordinator, to finalize a payment schedule. The camp fee should be fully paid by June 1 and may include any requested financial aid, sponsorships, gifts or camperships as well.
