IMMUNIZATION INFORMATION FOR CAMP - 2017

The following is provided for your information to help when making sure you have the required immunizations for your child to attend ADA Camp Carefree. If you attend public schools in New Hampshire, Vermont, Massachusetts, Connecticut, New York or New Jersey, you have met or exceeded New Hampshire requirements. All other states need to check the requirements in their state to see if they need to obtain additional immunizations or not. Documentation is required for everyone.

List of immunizations required for New Hampshire Public Schools:

- DTaP, DT/DTP, Tdap
- Polio
- Hepatitis B
- MMR
- Varicella
